Dear Bill:

I would enjoy meeting with your senior officers to discuss the Agency's product and key foreign policy issues likely to face us in the future.

December is going to be a hectic month, however, because of all the travel on my schedule. January would be better if that is acceptable to you and your officers. If so, perhaps your staff could contact mine after the first of the year.

Sincerely yours,

George P. Shultz

The Honorable
William J. Casey,
Director of Central Intelligence.
